ENVIRONMENTAL CARE ENVIRONMENTAL GOLF U.S. LAWNES VALLEY CREST VALLEY CREST TREE COMPANY

BILL ROPP NAMED ASSISTANT BRANCH MANAGER, VALLEY CREST LOS ANGELES

June 3, 2002 ~ It gives us great pleasure to announce that Bill Ropp, formerly chief estimator for Valley Crest central, has accepted the position of Assistant Branch Manager for Valley Crest Los Angeles.

Bill has been with Valley Crest since 1995. Starting as a business developer for Valley Crest Los Angeles, Bill moved to the estimating department in 1997. He is a CLCA-certified landscape technician and a student at UCLA's certification program for landscape architecture. In addition to his professional and academic training, Bill brings a unique perspective to the business of landscape and site development. Coming from a family-owned landscape and nursery business, Bill is the third generation in his family to pursue a career in this industry.

Please join me in congratulating Bill on this well-deserved honor.
