VALLEY CREST ANNOUNCES PROMOTION OF IRENE SEATTER TO OFFICE MANAGER, THEMED CONSTRUCTION

July 8, 2002 ~We are pleased to announce the promotion of Irene Seatter to the position of Office Manager for Valley Crest's themed construction group in Placentia (Orange County), CA.

Irene began her career with Valley Crest Orange County in 1991 as a general office clerk and payroll assistant during high school. Since that time, she has assumed positions of increasing responsibility while simultaneously completing a course of study in Political Science and graduating from Orange Coast College.

Most recently, Irene worked for Valley Crest Central as a Project Coordinator and served as Expedition and Production Management tech support. In addition, she was part of the AS/400 and Expedition integration team where she performed testing, wrote work instruction documentation, and trained people in purchasing protocol for the new system.

Please join us in congratulating Irene on her well-deserved promotion and for her commitment to grow within the company.
