MARY DEANS NAMED SALES REPRESENTATIVE FOR CALIFORNIA

CALABASAS, Calif., (October 20, 2003) ~ Garden Art International, the interior foliage and landscape accessories division of Valley Crest Tree Company, expanded its customer service program in California by announcing the promotion of sales associate Mary Deans to the position of Sales Representative for northern California and San Diego.

In her new role, Mary will be responsible for assisting the company's growth and strengthening its image to the architectural and landscape contracting communities.

A native Californian, Mary graduated from University of California Santa Barbara; she received her Master of Arts degree from Arizona State University.

Mary Deans can be reached @ 760-500-6215 or @ 800-500-8004.

About Valley Crest Tree Company

Valley Crest Tree Company offers expert tree relocation, storage and preservation services worldwide. The largest producer of containerized trees in the Western United States, its nurseries incorporate more than 800 acres of state-of-the-art growing grounds in northern and southern California, with a standing inventory of 15-gallon through 72-inch box trees. The Garden Art International Division supplies a wide selection of custom and imported containers, fountains and garden accessories, and indoor foliage.
